W. J. EGAN,
City Clerk of Newark, N. J.

City Clerk Egan then called upon the Rev. Charles L. Gomph of Grace Episcopal Church, who offered prayer.

City Clerk Egan then announced the first order of business would be the election of a temporary Chairman.

Commissioner Raymond nominated Commissioner Charles P. Gillen as Temporary Chairman. The nomination was seconded by Commissioner Archibald.

The roll being called, the motion was declared adopted by the following votes:

Yeas: — Commissioners Archibald, Breidenbach, Brennan, Raymond.

Not voting: Commissioner Gillen.

Commissioner Gillen thanked the members of the Board for the temporary honor and called the meeting to order.

Commissioner Gillen then announced the next order of business would be the election of a Mayor.

Commissioner Raymond:—It gives me a great deal of pleasure this morning to cast my vote for Commissioner Archibald for Mayor.

His long experience with municipal affairs, during which he has served successively as Alderman, City Clerk, City Commissioner, with the important duties attached to the office of Director of Revenue and Finance; his temperament, equable and stable; his vast acquaintance with the people of this city and his sound business judgment seem to me to peculiarly fit him for the office of Mayor under this form of government.

While our political affiliations differ, under the commission form it is impossible to distribute all of the offices to those of one's own political faith,

and the spirit of the Walsh Act would preclude such considerations since the form of government is supposedly non-partisan.

I am satisfied that Mr. Archibald will make appointments to the Board of Education which will in every way measure up to the expectations of those who have voted at the late election with the intention of keeping politics out of the School Board, and I know that Mr. Archibald fully appreciates the immense importance of maintaining the American school system.

While I nominate Mr. Archibald for Mayor, the motion should place him in nomination for Director of the Department of Public Affairs, which I do.

The nomination was seconded by Commissioner Brennan.

Commissioner Gillen then called for further nominations.

There being no further nominations, upon a call of the roll the motion was declared adopted by the following votes:

Yeas: Commissioners Breidenbach, Brennan, Gillen, Raymond.

Not voting: Commissioner Archibald.

Mayor Archibald: Mr. Mayor and Commissioners, I desire to thank you from the bottom of my heart, and I hope the trust imposed in me will not be misplaced. I will endeavor with every ounce of energy to serve the City of Newark as I have tried in the past, and I feel I am capable of filling this position, and I feel with the hearty co-operation and support of the members of the Commission, I believe we can give the City of Newark the kind of government required, and I believe that we can do it.

Commissioner Gillen then relinquished the Chair to Mayor Archibald.

Mayor Archibald then announced the next order of business would be the appointment of a City Clerk.

Commissioner Brennan: For the past three and a half years, Newark has been fortunate in having a City Clerk who, I feel has performed the duties of his office with satisfaction to the Commissioners and citizens. At this time I desire, without making

any further comments, to place in nomination the name of the present incumbent, William J. Egan.

Commissioner Raymond: I subscribe to all that has been said in behalf of Mr. Egan. We could not possibly have a better City Clerk and I second the nomination.

There being no further nominations, upon a call of the roll the motion was declared adopted by the following votes:

Yeas: Commissioners Breidenbach, Brennan, Gillen, Raymond, Mayor Archibald.

Commissioner Brennan offered the following resolution:

And the Director of the Department of Streets and Public Improvements is hereby directed to give public notice in an authorized daily newspaper, printed and published in the City of Newark, of the intention of the Board of Commissioners to order and cause such improvements to be made, and that all persons whose lands may be affected by such improvements or who may be interested therein will be given an opportunity to be heard concerning the same at a meeting of said Board, to be held in its meeting room, City Hall, on June 14th, 1921, at 11 o'clock A. Whereas, the Lehigh Valley Railroad has a siding belonging to a subsidiary corporation known as the Bay Shore Connecting Railway, running parallel with and a short distance from Doremus Avenue, the said siding passing under the viaduct carrying Doremus Avenue over the Oak Island Yard tracks of the Lehigh Valley Railroad; and

Whereas, in consequence of the close proximity of the 45 ft. embankment of Doremus Avenue to the siding of the Bay Shore Connecting Railway there is imminent danger of slides from the embankment covering up the side track aforesaid, in spite of the fact that bulkheads have been constructed to restrain and control the embankment at the location indicated; and

Whereas, the Lehigh Valley Railroad has submitted a plan to relocate the siding of the Bay Shore Connecting Railway at a safe distance

away from the Doremus Avenue Embankment, said plan making it necessary for the Lehigh Valley to acquire additional land for that purpose, the owner of the land referred to being the Land Filling Improvement Company with offices at 32 Nassau Street, New York City; and

Whereas, representatives of the Engineering Department of the City of Newark made inquiry of the Land Filling and Improvement Company of the value of the triangular strip of land referred to and were told that the selling price of the land would be at the rate of \$10,000 per acre, which would make the cost of acquiring the strip about \$5,000, which price is looked upon as being exorbitant; therefore, be it

Resolved, that the Lehigh Valley Railroad Company be and it is duly authorized to institute condemnation proceedings for the acquisition of the land referred to in order that the side track of the Bay Shore Connecting Railway may be relocated as desired, and that the City of Newark assume all costs and expense of any kind, including counsel and other fees which may arise in connection with the condemnation proceedings and the relocation of the track aforesaid.

Office of the City Clerk,

Newark, N. J., May 24th, 1921.

To the Honorable

The Board of Commissioners of
The City of Newark, N. J.

Gentlemen:—

In conformity with the provisions of an act of the Legislature of the State of New Jersey, I hereby designate and appoint Martin G. Bross, a clerk in my office, as Acting City Clerk during my absence or disability until revoked.

Respectfully yours,

W. J. EGAN,
City Clerk.

Commissioner Brennan moved that the recommendation of the City Clerk be concurred in.

The roll being called, the resolution was declared adopted by the following votes:

Ayes: Commissioners Breidenbach, Brennan, Gillen, Raymond, Mayor Archibald.

Dr. William G. Hanrahan, 36-A Fulton Street, appeared before the Board and stated on the site where the market is to be constructed there are about 100 good substantial brick buildings housing about 1000 people which were on the least desirable part of the property that is to be built upon, and urged that these buildings be left there as long as possible and permit the present tenants to occupy them as long as possible.

Corporation Counsel Congleton: That has already been arranged for and some of these people have been given permission to retain occupancy for as long as a year, except where the new building is to go.

Commissioner Gillen stated he would give the matter every consideration.

Mr. Anthony Minissi, 185 Market Street, stated he represented the Federation of Improvement Associations and had been requested to take up three matters with the Commission.

First: With reference to the construction and erection of a new band stand in Military Park. We all know in a short time it is expected to put up a beautiful monument there and we think it will be a center of attraction to a great many visitors.

Mayor Archibald: If you will take this up with Commissioner Gillen I am sure he will do everything he possibly can. This is a matter that is entirely in his jurisdiction, and I am sure the Commissioners will concur in any action he may take.

Mr. Minissi: The next matter is municipal lighting.

Corporation Counsel Congleton: It is pending in the Supreme Court and nothing can be done.

Mr. Minissi: The next question is as to the exact status of the five year exemption on dwellings. A great many people would like to build, but they do not want to go ahead unless they are sure of the exemption.

Corporation Counsel Congleton: The law was not repealed. I think the law is clearly unconstitutional. I would suggest that you take it up with the Tax Commissioners and see what their attitude is to be on it.

Dr. Hanrahan: I would like to ask whether our constitution is directly opposite to New York and Washington, D. C., where the highest courts have ruled favorably on similar laws?

Corporation Counsel Congleton: Our courts have decided our Constitution is entirely different than that of New York.

Commissioner Raymond moved to adjourn.

The roll being called, the resolution was declared adopted by the following votes:

Ayes: Commissioners Breidenbach, Brennan, Gillen, Raymond, Mayor Archibald.

Atlantic Deeper Waterways Assn.
Philadelphia, Pa., May 25, 1921.

Board of Commissioners,
Newark, N. J.

Dear Friend:—

There is sent herewith for your instructions a copy of Document No. 6 Committee on Rivers and Harbors, on the New York Delaware section of the Intracoastal Waterway.

This was prepared under a Committee Resolution following the appearance at a hearing, against our advice, of a number of well-meaning, but, we think, ill-advised gentlemen from New Jersey, who thus succeeded in obtaining a revision of the estimates at a time when costs of labor and materials were at the peak.

The Chief of Engineers advises delay and suggests further consideration of dimensions and type of canal.

It will therefore be necessary to reopen the question as soon as conditions appear advisable and to make a strong effort to obtain favorable reconsideration.

The link across New Jersey is a vital connection in the Atlantic Intracoastal Waterway system. It calls for the hearty and unfailing advocacy of its supporters.

Very truly yours,

WILFRED H. SCHOFF,
Secretary-Treasurer.

Ordered referred to the Director of the Department of Streets and Public Improvements.

The City of East Orange, New Jersey

Office of the City Clerk

May 26, 1921.

Board of Commissioners,
City of Newark, N. J.

Gentlemen:—

The following resolution was unanimously adopted by the City Council of the City of East Orange at a meeting held on May 23, and the same was approved by the Mayor on May 26:

“Whereas, the City of East Orange and the City of Newark entered into an agreement dated October 17, 1919, relating to the Passaic Valley Sewerage Commission, which agreement provided among other things, that the City of East Orange has the right to discharge its sewage and other polluting matter into an existing sewer in the City of Newark discharging directly or indirectly into the Passaic River, and that the City of East Orange from the date of said agreement shall have the right to discharge its sewage and other polluting matter into the sewers of the City of Newark to an amount or quantity not exceeding the amount or quantity provided for in said agreement, which amount is upward of ten million (10,000,000) gallons daily; and

"Whereas, the 24" Outfall Sewer of the City of East Orange in Springdale Avenue, and the Newark sewers to which it is immediately contributory, are now overtaxed by the discharge therefrom; and

"Whereas, the City of East Orange is desirous of relieving the Springdale avenue sewer and otherwise improving its sewer system by the construction of an 18" Outfall Sewer in Main Street and Hedden place to connect with and discharge into the main connecting sewer of the City of Newark in North 14th Street; therefore, be it

"Resolved, that the Board of Commissioners of the City of Newark is requested to approve the construction by the City of East Orange, of an 18" sanitary sewer to connect with and discharge into the main connecting sewer of the City of Newark in North 14th Street, in accordance with plan and profile entitled: 'Map and profile of the Hedden Place Outfall Sewer, Office of the City Engineer, East Orange, N. J., May 1921;' and be it

Further resolved, that the City Clerk is directed to send a copy of this resolution, together with a copy of said map, to the Board of Commissioners of the City of Newark, requesting that such approval be expressed, and necessary permits be issued to East Orange for carrying out the work."

I am enclosing herewith map referred to in foregoing resolution.

Very truly yours,

LINCOLN E. CROWLEY,

City Clerk.

Ordered referred to the Director of the Department of Streets and Public Improvements.

George E. Collins,

Analytical and Constructive Accounting, 522 Fifth Avenue,

New York, May 26, 1921.

To the Board of Commissioners,
City of Newark,
Newark, N. J.

Sirs:—

We respectfully request an opportunity to submit for your consideration a proposition for comprehensive and frequent audit of the finances of the city, for fees that will mean reduced cost as compared with the customary charges.

The plan will include monthly reports to your Finance Committee, of receipts of revenue, disbursements in totals applicable to each fund and balances remaining of each appropriation. Also semi-annual reports to the "Council" in details, showing the financial condition, with detailed documents on the condition of the affairs and recommendations for the improvement, where and when needed. The service will include constant availability of the principals of our organization for consultation and advice.

The monthly fee for three months in the fall of the year and three months in the spring will be, of course, virtually nominal, with a somewhat higher fee for each of the other six months.

We will hold ourselves in readiness to keep any appointment you make to discuss the details of this plan.

Respectfully,

GEORGE E. COLLINS, INC.,

C. W. COLLINS, General Manager.

Ordered referred to the Director of the Department of Revenue and Finance.
